THE NEW BENCHMARK IN GERMAN ENGINEERING.

The new Astra, a masterpiece of German engineering and iconic design.

It’s now lighter in weight, roomier inside and more compact than ever and brings together real world innovation with premium design features.

Powered by a new range of ultra-efficient engines, on the road, the new Astra is a seriously addictive drive too.

The new Astra from Opel, the new benchmark in the compact class.
Outstanding cars call for stand out design. The new Astra’s flowing lines and sculpted body, along with the rising curve of its floating roof all come together to give it serious presence, whichever way you look at it.
MADE-TO-MEASURE.

Sit inside and take it all in. Every interior for the new Astra is made using high quality materials that go beyond what you might expect in this class.
The new Astra is powered by a brand new series of lightweight ECOTEC petrol, diesel and turbo engines that are more efficient in every way. They deliver smooth, ample power in combination with new Astra’s lightweight body for an agile and responsive drive.

This is especially true of the ecoFLEX engines. All turbo-charged, strong and powerful, they deliver exceptional fuel economy and emissions levels for maximum efficiency with an equally impressive dynamic driving experience.
1. **Cheers for gears.** Five or six gears, automatic or manual, with Start/Stop engine systems or without – all new Astra transmissions are smooth and precise. There’s even the choice of an Easytronic transmission for faster and smoother gear changes.

2. **Switch to sporty.** You can change new Astra’s steering feel and throttle response to sporty at the touch of a button – it’s a standard feature on new Astra SRi.

3. **Clean yet mean.** New Astra ecoFLEX engines are uncompromisingly powerful yet super efficient. For instance, the responsive 1.0 Turbo ecoFLEX petrol engine with Easytronic transmission emits just 96g/km CO₂.

Find out more about Opel’s exciting new engines at [www.opel.ie/Astra](http://www.opel.ie/Astra)
INNOVATIVE
BY DESIGN.

Where the new Astra leads, others are bound to follow.

Everywhere you look you’ll find premium class innovations that are designed to make driving easier, safer and more fun than ever. It’s future thinking we’re proud to lead.
1. **IntelliLux LED Matrix headlights**. This super smart LED headlight system automatically adjusts your high beam to dip around other vehicles for a wider, perfectly lit view ahead for safer night driving.

2. **Opel Eye Driving Assistance Pack**. This front camera safety system gives you intelligent assistance like lane departure warning, traffic sign recognition, following distance indication and forward collision alert with automatic city emergency braking.

3. **IntelliLink infotainment system**. Standard on new Astra SC and above, you can stay updated and entertained every journey with seamless Bluetooth® integration for Apple and Android devices†.

4. **Luxurious seating**. Relax in stress-relieving comfort with optional in-seat ventilation and massage function to keep you alert and refreshed on the road.

5. **Advanced park assist**. Parking is quicker and easier with advanced park assist, which not only finds you a good parking space, but also steers you precisely into the slot – all hands free.

* Optional at extra cost on SRi and Elite models only.

** Standard on SRi, optional at extra cost on all other models except new Astra S.

† Compatibility and certain functions might be a bit different depending on the type of smartphone and operating system you’re using.
PUT OTHER LIGHTS
IN THE SHADE.

The new Astra comes with premium class features and innovative ideas like IntelliLux LED Matrix headlights that automatically avoid dazzling other drivers. In fact, it’s the first time this technology has featured in any car in new Astra’s class.
HIGH BEAM GOES **DAZZLE-FREE.**
**SO YOU HAVE MORE TIME TO REACT.**

The LED Matrix headlights automatically adjust the shape of your high beam headlights to avoid dazzling other drivers. With this technology on board you’ll never have to switch between high and low beam again. It also gives you more time to react to potential hazards, making for safer driving.

**Before.** With standard halogen headlights, you have to switch between low and high beam to avoid dazzling drivers in oncoming cars.

**After.** With IntelliLux LED Matrix headlights, your high beam automatically dips around other vehicles so you enjoy a wider, perfectly lit field of view.

Opel puts intelligent technology to work where it counts:
- IntelliLux LED Matrix headlights* comprise 16 separate LED elements
- They react to other vehicles by cutting out single LEDs
- Your high beam is glare-free all the time
- The beam is wider and longer for maximum visibility
- Driving at night is safer and much more relaxed
- Outstanding reliability ensures maximum longevity

The IntelliLux LED Matrix system includes more advanced lighting options:
- Cornering lights further enhance safety
- Country lights adjust automatically for better visibility on dark roads
- Town lights perfectly complement better lit conditions
- Motorway mode guarantees safe, glare-free travelling at high speeds

See IntelliLux in action at [www.opel.ie/Astra](http://www.opel.ie/Astra)

*Optional at extra cost on SRi and Elite models only.
The Opel eye safety camera supports your own road sense to help prevent collisions, keep track of speed limits and make life safer for you and your passengers.

It’s an advanced driver assistance system that senses hazards in advance and only gives safety warnings when you need them, while keeping you in full control at the wheel of your new Astra.
Standard with the Opel Eye Driving Assistance Pack on new Astra SRi models, the safety camera system is more than a first in a car of this class - it’s one of the most sophisticated driver assistance systems ever engineered in a car. Optional on SC and Elite models.

1. **Forward Collision Alert.** Gives you an audible and visible signal if you approach slower vehicles too fast from behind. The system will also help avoid low-speed rear-end collisions by automatically braking if it senses a potential impact. The new Reflective LED windscreen display provides an extra level of safety to give additional warning in the driver’s field of view.

2. **Lane departure warning with lane assist.** Warning signals protect against unintentional gradual drifting – and the steering wheel even nudges gently if you move out of your lane without signalling. The real genius? It won’t sound an alarm when you don’t need one. For example, if you need to swerve hard to avoid an obstacle.

3. **Traffic sign recognition.** This advanced sign-detection system picks up and displays speed limits and other important traffic signs and even recognises temporary electronic signage.

For more on Opel Eye safety technology, go to [www.opel.ie/Astra](http://www.opel.ie/Astra)
Space and comfort was a top priority when we designed the new Astra’s interior. You’ll notice higher quality materials, sophisticated colour choices and calm ambient lighting that make the new Astra a very nice place to be indeed. And there’s extra room in the back as well as a generous boot for whatever you get up to.
...AND RELAX.

New Astra is all about setting new standards for comfort and technology. Why? Simply to make life on the road easier, fun and more enjoyable for you and everyone on board.

An electrically adjustable leather front driver’s seat memorises your personal settings, with integral massaging and ventilation to keep you relaxed and cool.¹

Heated front and rear seats² are a cosy treat in the chilly months, and the advanced Electronic Climate Control (ECC)³, lets you set different temperatures for areas of the car – handy when you’re travelling with friends and family.

You can also choose the AirWellness system⁴ that airs the cabin with two subtly different herbal scents – Energising Dark Wood or Balancing Green Tea.

1. **Power front driver’s seats¹**. This category-first front seats option features electric adjustment and is ergonomically certified to help promote a healthy back. It massages, ventilates and memorises personal settings to keep you cool and relaxed.

2. **The adjustable AirWellness scent diffuser**. Freshen up with Energising Dark Wood or Balancing Green Tea.

---

¹ Optional power front seats on Elite models include a driver’s seat massage function, electrically operated adjustment with seat memory function and pneumatically adjustable backrest side bolsters. Both front seats feature active ventilation for the seat rest and seat cushion.  
² Heated front seats come with the Winter Pack, which is optional on SRi models. Heated front and outer rear seats are standard on Elite models.  
³ ECC is standard on Elite models, optional on SRi.  
⁴ AirWellness scent diffuser optional in conjunction with the PowerFlex bar on all models except new Astra S.
INTELLILINK.
BECAUSE NOTHING BEATS
GOOD CONNECTIONS.

Wherever you go, now there’s no excuse not to call home. Every new Astra features Bluetooth® connectivity for hands-free phoning and audio streaming so you’ll stay entertained while on the move too.

R 300 BT radio, standard on S models:

- AM and FM radio
- Bluetooth® including audio streaming, USB and aux-in
- Hands-free phoning
- OnStar-compatible
Our IntelliLink infotainment systems feature colour touch-screen technology for all Android or Apple iOS smartphones and tablets*. Once it’s connected to your device, IntelliLink lets you project your smartphone to the large colour touch-screen display – perfect for safely making calls and checking information while you drive. Digital radio comes as standard too, and on SRi and Elite models you find sat nav with voice control.

2. **R4.0 IntelliLink**, standard on SC models and adds:
   - 7-inch colour touch-screen display
   - Digital radio
   - Smartphone projection
   - Apple CarPlay and Android Auto

3. **Navi 900 IntelliLink system**, standard on SRi and Elite models, gives you a slightly larger touch-screen, and also includes sat nav, voice control and a sleek, shark-fin antenna:
   - 8-inch colour touch-screen display
   - Built-in navigation system
   - Hands-free phoning with voice control
   - Shark-fin antenna
   - Smartphone projection
   - Apple CarPlay

*Please note that compatibility and certain functions may be different depending on the type of device and operating system you’re using with the IntelliLink systems.

**The PowerFlex bar is standard on Elite models and optional at extra cost on all other models except S. Apple and iPhone are trademarks of Apple Inc., registered in the U.S. and other countries. Android is a trademark of Google Inc, also registered in the U.S. and other countries.
24/7, 365 days a year, Opel OnStar gives you access to our unique services virtually anywhere in Europe. Best of all, it’s free of charge for the first 12 months! Driving will never be the same.
WHAT **ONSTAR**
CAN DO FOR YOU.

**Automatic Crash Response.**
In the event of a crash, built-in vehicle sensors automatically alert an OnStar advisor, who will be immediately connected to your car. The advisor will assess the situation and if needed notify the emergency services and provide them with your exact GPS location.

**Wi-Fi Hotspot.**
Your car is Wi-Fi ready! Soon you will be able to enjoy the benefits of fast and stable Internet access on board for up to 7 devices.

**Smartphone App.**
At the touch of a button, remotely lock/unlock your doors, check your oil life or honk the horn and flash the lights.

**Stolen Vehicle Assistance.**
If someone steals your car, call our OnStar advisors and give them the reference number the police gave you. The advisor will then provide the police with the location and prevent your car from being restarted so it can be recovered.

**Vehicle Diagnostics.**
Whenever you want, you can ask OnStar to remotely check some of the key systems of your car like engine, transmission, emissions or airbags. If you wish, OnStar can also send you a monthly e-mail with those key data.

**Destination Download.**
Searching for an alternative route, a restaurant, a petrol station or anywhere else you might need? Just press the Service Button! Our advisors will provide you with the address. They can automatically download the location to your Opel’s navigation system, too.

**YOUR PRIVACY.**

YOU are in control of what OnStar can and cannot do!

- Once you’ve registered and activated OnStar, you can access every OnStar service. To ensure security, several services will ask for your PIN.
- Press and hold the Privacy Button for approximately 5 seconds to mask your car’s location at any time. If you change your mind, press the Privacy Button again for approximately 5 seconds to reveal your location. Only in emergencies can OnStar override this.
- OnStar will never sell your information on. Your information will only be disclosed to OnStar and GM Holdings LLC (USA), its affiliate companies (e.g. Adam Opel AG), your selected/preferred dealers, companies involved in providing or carrying out the OnStar Services and, at your request, to other service companies.
HOW CAN I GET ONSTAR?

Opel OnStar is standard on SRi and Elite and is available as an extra cost option on all other models.

To get it:

1. Request OnStar when you order your new Opel Astra.
2. OnStar will send you an e-mail invitation so you can activate your account.
3. Complete your registration and set up your preferences.
4. OnStar is ready to go!

After the 12-month free trial period, you can decide to order a continuation of the OnStar services. This will be subject to a fee.

To find out more, visit www.opel.ie/OnStar
myOpel is your one-stop shop to manage everything to do with your Opel – from your OnStar account to organising your vehicle’s next service to rewards and exclusive offers. Everything is targeted to you and the Opel you drive.

- Manage your Opel – take care of your Opel online, book a service and track service history.
- Access your OnStar Services – get diagnostics reports, manage your subscription and more.
- Exclusive offers – stay up to date on special offers, latest news and current events.
- Dealer locator – find your nearest Opel dealer.

If you are already an Opel OnStar customer, you can access all the myOpel services. Otherwise, you can register for myOpel by following these easy steps:

1. When you order your car, your dealer will go through a simple pre-registration with you.
2. We will send you an e-mail invitation so you can activate your account.
3. Complete your registration.
4. myOpel is ready to go!

To easily access myOpel from your smartphone, just download the app from the Google Play Store or from iTunes.
ASTRA S.
MAKE IT YOURS.

Well-equipped and affordable to run. A perfect start for just about everyone, and great for company car drivers, as it’ll save on your tax too.

Engine availability
5-door Hatchback
1.4i 100PS*
1.0i 105PS Turbo Start/Stop ecoFLEX
1.0i 105PS Turbo Start/Stop ecoFLEX Easytronic
1.6CDTi 110PS

*S Estimated availability from Spring 2016.

S standard features include:

- 16-inch steel wheels and flush covers
- Electronic Stability Programme (ESP)
- Anti-lock Braking System (ABS)
- Hill-start assist
- LED daytime running lights
- Six airbags
- Air conditioning
- Steering column adjustable for reach and rake

R300BT AM/FM radio
USB and Aux-in
Bluetooth® connectivity
Tyre pressure monitoring system
Remote control central locking
Electronic engine deadlock immobiliser
Automatic lighting control
Electrically operated front windows
Electrically adjustable/heated door mirrors
Model illustrated features 16-inch 5-spoke structure wheels and Summit White brilliant paint, optional at extra cost.
ASTRA SC.
IT’S GOT IT ALL.

Bringing something special to the party, with extra comfort features and IntelliLink infotainment.

**Engine availability**

5-door Hatchback
- 1.4i 100PS*
- 1.0i 105PS Turbo Start/Stop ecoFLEX
- 1.0i 105PS Turbo Start/Stop ecoFLEX Easytronic
- 1.6CDTi 110PS
- 1.6CDTi 136PS Start/Stop
- 1.6CDTi 136PS automatic

*Estimated availability from Spring 2016.

**SC features over and above S include:**
- 16-inch 5-spoke structure wheels
- R4.0 IntelliLink audio system with digital radio
- 7-inch colour touch-screen
- Multi-function trip computer
- Cruise control with speed limiter
- Steering wheel mounted audio controls
- Electrically operated front and rear windows
- Chrome-effect grille bar
Model illustrated features 17-inch alloy wheels and Asteroid Grey two-coat pearlescent paint, optional at extra cost.
ASTRA SRi.

LET’S GO.

Sports power, seating and styling, along with premium technologies and comfort make this a truly addictive drive.

1.6CDTi 136PS automatic

SRI features over and above SC include:
- 17-inch 5 twin-spoke alloy wheels
- Opel Eye Driving Assistance Pack
  One featuring intelligent forward camera system:
  - Lane departure warning with lane keep assist
  - Traffic sign recognition
  - Following distance indicator
  - Forward collision alert
- Opel OnStar
- Rain-sensitive windscreen wipers
- Automatic lighting with tunnel detection
- Automatic anti-dazzle rear-view mirror
- Navi 900 IntelliLink audio system with satellite navigation
- Sports style front seats
- Adjustable front armrest
- Sport switch
- Leather-covered steering wheel
- Front fog lights
- Remote control alarm system
SRi exterior illustrated features Power Red paint. IntelliLux LED matrix headlights are optional at extra cost.

SRi interior illustrated left features electronic climate control, Winter Pack and Parking Pack, optional at extra cost.
ASTRA ELITE.

TAKE IT TO THE TOP.

Here’s the full experience with all the trimmings. You can’t get much more new Astra than this.

Engine availability

5-door Hatchback
- 1.0i 105PS Turbo Start/Stop ecoFLEX
- 1.4i 150PS Turbo
- 1.6CDTi 110PS
- 1.6CDTi 136PS Start/Stop
- 1.6CDTi 136PS automatic

Elite features over and above SC include:

- 17-inch multi-spoke alloy wheels
- Leather seat trim
- Heated leather-covered steering wheel
- Electric parking brake
- Ergonomic sports front seats with extendable seat cushions, tilt and four-way electrical lumbar adjustment
- Heated front and outer rear seats
- Opel OnStar
- Rain-sensitive windscreen wipers
- Automatic lighting with tunnel detection
- Automatic anti-dazzle rear-view mirror
- Navi 900 IntelliLink audio system with satellite navigation
- Electronic dual-zone climate control
- Front fog lights
- Electrically folding door mirrors
- Remote control alarm system
- Two rear USB charging points
Elite model exterior features Deep Sky Blue two-coat metallic paint optional at extra cost. IntelliLux LED matrix headlights are optional at extra cost. Elite Black leather interior illustrated left features Opel Eye Driving Assistance Pack and front and rear parking sensors optional at extra cost.
AN ARRAY OF COLOURS.

Show off your new Astra’s sculpted body in sumptuous solid colours or gleaming metallic tones. For a 360° view of the new Astra in any of these colours, follow the online link at the foot of this page to use the new Astra visualiser.

Choose your colour at www.opel.ie/Astra

*S Optional at extra cost.
BRILLIANT*
- Summit White

METALLIC*
- Sovereign Silver
- Deep Sky Blue
- Asteroid Grey
- Granite Grey
- Soft Bronze
- Emerald Green
- Flip Chip Silver
- Dark Caramel
- Carbon Flash

PEARLESCENT*
- Brilliance Metallic
- Parellicent Metallic

*Features regular comfort front seats in lieu of ergonomic sports front seats (deletes sports front seats with extendable seats cushions, tilt and four-way electrical lumbar adjustment and front passenger seat height adjustment).
SEE ANYTHING YOU LIKE?

If you have a taste for fine furnishings, new Astra interiors are a special treat.

Indulge yourself at www.opel.ie/Astra
OK LET’S ROLL.

New Astra’s contours and colours are sure to catch the eye, now why not let the wheels do the talking?

1. **16-inch steel wheels.** With 205/55 R 16 tyres (standard on S).

2. **16-inch structure wheels.** With 205/55 R 16 tyres (standard on SC, optional at extra cost on S).

3. **17-inch alloy wheels.** Elegant 10-spoke design, with 225/45 R 17 tyres (optional at extra cost on SC).

4. **17-inch alloy wheels.** Five twin-spoke design with 225/45 R 17 tyres (standard on SRi).

5. **17-inch alloy wheels.** Multi-spoke design, with 225/45 R 17 tyres (standard on Elite).

6. **18-inch alloy wheels*.** Bi-colour 10-spoke design, with 225/40 R 18 tyres (optional on SRi and Elite).

*Not available with 1.0i Turbo 105PS.

**Please note:** An emergency tyre inflation kit is standard on all new Astra models in lieu of a spare wheel. An emergency steel spare wheel and tyre is available on all models as an extra-cost option. Fitting this spare wheel and tyre will reduce luggage capacity.
WHATEVER YOU WANT, YOU’VE GOT IT MADE.

There’s only one thing more satisfying than a new car that does everything just as you always wanted: customising it with accessories until it matches your personal needs exactly – like a new car always should.

1. **FlexConnect system.** A flexible system of holders that attach to the headrests of the front seats for gripping tablets, shopping bags, jackets and drinks.

2. **Roof base carrier and Thule attachments.** Ideal for carrying big boxes, camping gear and sports equipment like surfboards, skis, bikes and kites.

3. **Reversible hard cargo tray.** A tough, anti-slip tray that’s rubberised one side and carpeted the other. Perfect for protecting your loads and keeping your boot clean and tidy whatever you throw in.

4. **Stainless steel sports pedal kit.** For added grip with a stylish sheen.

5. **Branded Opel illuminated sill plates.** Protect the sill paint, and give your admirers a tempting glimpse of the premium interior.

6. **PowerFlex Bar.** This handy gadget recharges and holds your smartphone securely where you can easily see it. The PowerFlex mount is modular so you can swap the charger for the AirWellness herbal fragrance diffuser too.
Browse the vast range of Astra accessories at www.opel.ie/Astra
LIVE LARGER: IN THE ASTRA SPORTS TOURER.

If you love all the premium features of new Astra, but you’d like a little more space in the boot, the upcoming new Astra Sports Tourer is well worth the wait.

Not only will it hold up to 1630 litres you can also order a foot-operated remote sensor control to open and close the tailgate – a good idea when you’re carrying heavy loads.

Available to order now, new Astra Sports Tourer will be delivered in Spring 2016, when you’ll also be able to take a test drive and discover it for yourself.
NOW YOU’VE SEEN IT.
TIME TO FEEL IT.

A car brochure can only ever be a prelude to the main event. So if you like what you’ve seen of the new Astra so far, we think you need to drive it soon so you can experience it for yourself, live and on the road!

To arrange your test drive find your nearest Opel Ireland dealer at www.opel.ie

S/S = Start/Stop fuel saving automatic engine.
# = Official Government Test Environmental Data. Official EU-regulated test data is provided for comparison purposes and actual performance will depend on driving style, road conditions and other non-technical factors.
TRANSMISSION

Five-speed manual gearbox
Standard on: 1.4i 100PS/1.0i 105PS
Six-speed manual gearbox
Petrol engine: 1.4i 150PS Turbo
Diesel engine: 1.6CDTi 110 models

Five-speed Easytronic transmission
The five-speed Easytronic 3.0 transmission is optional on 1.0i Turbo 105PS engines. Easytronic is a five-speed manual gearbox with no clutch pedal. In manual mode you simply push the lever forward or back to shift gears up or down, whilst in automatic mode Easytronic takes control. A new electro-hydraulic actuator operates the clutch for faster and smoother gear changes plus increased economy through computer optimised gear changes.

Six-speed automatic transmission with ActiveSelect® function
A six-speed automatic transmission is optional on 1.6CDTi 136PS model. On the road, a wide selection of shift patterns is adapted to the style and habits of the driver, anticipating when maximum acceleration or maximum efficiency is required. The electronic control will also adapt to the prevailing road conditions, reducing gear shifting when climbing or descending and using engine braking assistance during down changes. The ActiveSelect® manual mode allows the gear lever to be used like a sequential manual gearbox – you simply push the lever forward or back to change up or down the gears. The driver also benefits from a ‘neutral’ gear disengagement at idle, which reduces vibration and contributes to improved fuel consumption.

STEERING
Power-assisted steering
Turning circle (wall-to-wall): ~11.05m (36.2ft.)

SUSPENSION

BRAKING AND STABILITY
- Electronic Stability Programme (ESP)
- Cornering brake control
- Straight line stability control
- Rollover mitigation
- Drag torque control
- Hill start assist
- Anti-lock Braking System (ABS)
- Emergency brake assist
- Fading brake support
- Electronic brake force distribution
- Adaptive brake lights

Gross vehicle weight is the total permissible weight of the vehicle including passengers and their luggage. The maximum roof rack loading should not exceed 75kg on Hatchback models. The maximum towing weights are based on the ability of the car, with two occupants of 75kg each, to restart on a 12% gradient, which is approximately 1 in 8.3, at sea level. At altitudes above 1500 metres, the engine output may drop with a corresponding reduction in towing capability. Any extra weight, such as luggage or additional passengers, should be deducted from the maximum towing weight. With a trailer fully loaded, maximum noseweight should not exceed 75kg. Always fit Opel towing attachments and accessories available from your Opel dealer. They are designed specifically for Opel models and carry a 24-month guarantee.

Opel Service.

Europe-wide Customer Service.
Throughout Europe, more than 6,000 Opel repair workshops are ready to provide professional and punctual service. As you'd expect, they'll repair your vehicle to the highest standards. More unusually, perhaps, they'll tell you exactly what's been done and why, and they will show any costs involved clearly and concisely.

New Vehicle Warranty.
2-year new vehicle warranty. This warranty applies to any new Opel car for a period of 24 months without any mileage restrictions, as from the day on which it was either registered for the first time or delivered to the customer by the dealer, depending on which date comes first.

Opel Roadside Assistance.
This free-of-charge mobility service is valid for all new Opel vehicles during the first year after the date on which they were first registered or delivered to the customer by the dealer, depending on which date comes first. No matter where you are, the Opel Assistance is there to help. In more than 40 European countries – round the clock. Offering services such as breakdown assistance, towing services, rental car, hotel accommodation or the organisation of onward transportation, e.g. via rail or air (please see programme conditions).

12-year Anti-Perforation Warranty.
Opel provides you with a reliable long-term warranty against perforation, provided you have your vehicle serviced and all necessary inspections performed according to the service booklet.

2-year Warranty for Opel Batteries.
With a 2-year warranty for service-installed Opel original batteries your starting problems are over – even in the coldest winter.

Parts and Accessories Service.
Opel parts and accessories are available at your local Opel Shop, where you'll find everything to make your vehicle more comfortable or to meet your individual needs, as well as expert advice.

Opel on the Internet.
Need instant information? At www.opel.ie you can access a wealth of information on all Opel cars, services, and accessories. Get online for Opel news and product updates.

Recycling.
Information about Design for Recycling, Take-Back points for End of Life Vehicles (ELVs) and the recycling of ELVs can be found on the Opel website www.opel.ie

In case of any questions, please ask your Opel dealer. More information can be found at www.opel.ie

Every effort has been made to ensure that the contents of this publication were accurate and up-to-date at the time of going to press (October 2015). Opel vehicles are equipped with components manufactured by various General Motors operating units and outside suppliers. The Company reserves the right to change specifications and withdraw products from sale without notice. Any such alterations will be notified to Opel dealers at the earliest opportunity; please consult your local dealer for the latest information. The specifications detailed within this brochure are not necessarily applicable to alternative models such as Special Editions. Details of any such models will be contained in specific literature or found on the Opel website. The colours reproduced in this brochure may vary slightly from the actual paint colour or trim material due to the limitations of the printing process. Please note that Opel dealers are not the agents of General Motors Ireland Limited and are not authorised to bind the Company by any specific or implied undertaking or representation. It is advisable to ensure that your motor insurance policy provides adequate cover for additional fitted options and accessories. As part of Opel's policy of environmental care, this brochure is printed on paper manufactured using Elemental Chlorine Free pulps from specially farmed, sustainable timber resources. All rights reserved. No part of this publication may be reproduced in any form or by any means, without the prior written permission of General Motors Ireland Limited.
